Celebrate World Kindness Day with real life, heart-warming stories of kindness of your friends and neighbours played out before you. Feel free to bring your own stories and a friend. Be part of the Kindness celebration as Vancouver joins other Playback troupes around the world in support of human kindness. Your participation can create a kinder world.

Playback Theatre is based on oral storytelling traditions, and moves freely between the mythic and the mundane. You, the audience member, may choose to sit in the “teller’s chair” where your real-life story will be “played back” by a group of actors. The actors use improvisation, movement and music to create fascinating, funny, dramatic and deeply moving stories.

Playback is a form of theatre unlike any other. It changes lives and enriches communities. It is fun, daring and can change the way you look at yourself and the world.
